Lecture Notes can be personalized for use during lectures and as a critical final review resource.

Flashcards are a convenient, effective way to improve your understanding of each LOS and to quicken the pace at which you answer questions.

Mock Exam and Review Seminar—live or self-study CD—helps pinpoint strengths and weaknesses to focus your critical final review where it's needed most.

Weekly guidance and advice from Stalla's team of CFA charterholders and subject matter experts help keep you focused and on track with your prep program.

Unlimited access to online academic and personalized support provides highly targeted answers to your specific questions and concerns.

Tuition waiver guarantee,* Stalla's commitment to your success, allows you to repeat your Stalla course tuition-free if needed.

Our **System** course includes all of the above, with the exception of Flashcards and the Mock Exam and Review Seminar. We also offer our Mock Exam and Review Seminar and selected program elements for individual purchase. (See reverse side.)

“If you feel overwhelmed about all the material you need to know, Stalla is for you. Before I began studying I didn't even know what a balance sheet was . . . after going through the Stalla system I passed the Level I exam. If it wasn't for Stalla this would not have happened.”

Michael Gleerman, CFA candidate
